

Hello! My name is Phanna Met I'm almost grade 10 because I finish grade 9 next week I'm very excited to hear that I will get the sponsor from Aukas is the scholarship money for studying.

I told this news to my father he was very surprised and excited because this is a big part of my expenditure every day. Every day I teach English at CBS school I know my English is not good but I try because my English teacher Mr. Voern always motivates me and takes care me. even this work I did not get much money but it can help me for a while.

I hope this news will be true for me next year because I need it too much to help my study and my future and I hope I will be a good student as the others.

All in all! If I this dream become
