

Hi! My name is Plarin chhorn I'm
female student I'm fourteen years
old. I live in Oddarmeanchey province
Cambodia. I study in grade 8 of paou
secondary school. My parents are
farmers. There are seven family members
in my family. My mum is working
at Thailand. My father is at home.
In the future I want to be a teacher.
We would love to say thank you
Aukas for support me with scholarship
money and thank you Teacher voeurn
has chosen me to be a scholarship student
in Aukas organization. I feel sometimes
want to drop up my study after grade
9. But it's lucky for me that my teacher
chose me to be a scholarship student.
I promise with you I will try to
study until finish grade 12. and
care my score! I wish you and your
